

## **Solaris® WARRANTY**

To the original purchaser, Retracom warrants for a period of fifteen (15) years, Solaris insulated roofing panels against de-lamination, as supplied by Retracom.

Retracom shall provide free replacement (at our factory) of products deemed faulty by Retracom. This warranty expressly excludes parts or components not manufactured by Retracom\*. Such parts are subject to their manufacturers warranties.

\*Up to 15 years Architectural panel Roofing warranty - by application to Bluescope

The Bluescope warranties and application forms are downloadable on their website.
